

Dear Parents and Aaron Campers,

Summer is almost here so it's time for Camp Aaron campers to fill out their free choice schedules. All Aaron campers choose their own schedule prior to camp. We will mail their finalized schedule to them the week before camp begins. Enclosed you will find an activity selection schedule for your camper's division (entering 5<sup>th</sup> grade-Gilad, entering 6<sup>th</sup> grade-Arad, entering 7<sup>th</sup> & 8<sup>th</sup> grades-Tavor) as well as a blank schedule for their personal choices.

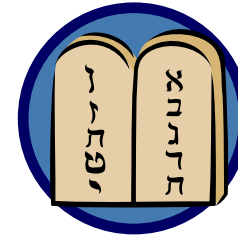

We recommend that parents and campers fill out the schedule together. Plan carefully and talk to your friends before you send the completed schedule back to camp. Your choices are entered into the computer as soon as we receive them from you, so please send the completed selection sheet back as soon as possible. Descriptions of each activity can be found on our website [www.jcccampsatmedford.org](http://www.jcccampsatmedford.org).

You must choose an activity for each time period in your blank schedule. **It is necessary to include 2<sup>nd</sup> and 3<sup>rd</sup> choices in the event that your 1<sup>st</sup> choice activity is not available.** If you are choosing theater, competitive sports or performing dance, you do not need to pick alternative activities during these periods as you are guaranteed to get these activities.

### *Scheduling Guidelines*

#### DO...

- Write your name on the top of the schedule
- Circle the weeks you are coming to camp
- List 3 choices for each activity (except theater, competitive sports, performing dance)
- Return your schedule quickly as we enter in the computer as soon as we receive them
- Make sure you sign up for both periods when the activity requires a double period (marked by arrows up and down or side to side)
- If you are choosing theater (5 periods), competitive sports (2 periods) or performing dance (3 periods), you must select it all periods that it is offered

#### DO NOT...

DO NOT list the following activities more than **one time** as your first choice (we have one project/lesson planned for each week so taking it more than once would be repetitive): *arts & crafts, ceramics, cooking, things that go, woodworking, metal craft/3D art, leather craft, cartooning, mosaic, painting, jewelry making, digital photography, wearable art, cheer, hip-hop, gymnastics and wheel ceramics.*

DO NOT select the following activities more than **one time** (due to their popularity we want to maximize the number of campers that get to participate during the week, so we will only assign you the activity once each week): *mini-golf, boating and guitar.*

DO NOT select the following activities more than **two times** (due to their popularity we want to maximize the number of campers that get to participate during the week, so we will only assign you the activity twice each week): *archery, lake inflatables, climbing boulder, ropes challenge course and fishing.*

**Tavor Division Camper's Name:** \_\_\_\_\_

**Circle each week** you will be attending camp Aaron

# Swim Alternative 2011

## *Tavor Campers Only- entering 7<sup>th</sup> and 8<sup>th</sup> grades*

The JCC Camp staff firmly believes that the instructional swim program offered at Camp Aaron is of value to every camper. Since some of our older campers would prefer not to take instructional swim, we are offering "Swim Alternative." We feel that the decision not to participate in instructional swim must involve parents. Therefore, we need a parent's permission in order for a camper to select this option.

Please have your camper select from the activities listed below. **\* You must make selections for all 5 days\***

**Return this form to the JCC Camp Office with your child's Tavor schedule choices to:  
JCC Camp Office, 1301 Springdale Road, Cherry Hill, NJ 08003 or fax to 856-489-8230**

I give my child \_\_\_\_\_ entering grade \_\_\_\_\_ permission to participate in the "Swim Alternative" program.
